Classes:

Institute Winter Classes: Beginning Monday, March 23rd Winter Institute classes will be conducted remotely for the remaining two weeks of the term. The building will be closed. We are monitoring the local situation day-by-day, hour-by-hour. Updates will be sent to current students in the chance the school needs to take action before this time and transition to online classes.

Institute Spring Classes: Due to new travel restrictions and in order to act in an abundance of caution, we will be postponing the Institute Spring Start Date. Therefore, the Spring Term will begin Monday, April 20th instead of the original Monday, April 6th. Students will receive additional class hours for the shortened term.
